Then your light shall break forth like the morning,

A Day for Healing

John C. Brunt

Jesus' actions often transgressed the rabbinical laws of His day. . . but never so purposefully as when he performed miracles of healing on the Sabbath. The Gospels record five specific Sabbath acts of healing performed by Jesus. Each one was intentional. Each one had a purpose. *A Day for Healing* examines these miracles with the intent of helping Sabbath-keepers understand what Jesus was trying to teach the Jews of His day, and us as His followers today. Jesus, by word and action, demonstrates that salvation lies at the very core of the Sabbath. As we receive His salvific healing on the Sabbath day, we are called to carry on the work of Jesus by offering the healing leaves of the tree of life to a hurting, desperate world.

Born Yesterday

Rachel Williams-Smith

Though born in 1965, Rachel's story could easily have been set in the 1800s. Wearing long dresses and broad brimmed bonnets and living without modern conveniences including electricity, telephone, radio, television, or indoor plumbing, she and her family separated from society and lived under often harsh conditions in an old, abandoned house atop a remote range of hills in Tennessee, awaiting the end of the world. Then at 16, Rachel was forced to face the world in which she was not raised to live. She struggled to adjust to an unsheltered life without casting aside the good along with the bad. Eventually she found her way to a full, balanced, and vibrant life. Rachel shares an amazing story that ultimately testifies of God's faithful and restorative loving care.

Love You More
2017 Women's Devotional
GC Women's Ministries
Carolyn Rathbun Sutton, editor

"Love you more," is often our response when someone says,
"I love you."

It's another way of saying "I love you more than you can imagine."

Have you ever wondered if that's how God feels about us?

Thousands of years ago God put it in writing, so to speak, when He gave Jeremiah these words,

"Yes, I have loved you with an everlasting love; Therefore with lovingkindness I have drawn you" (Jeremiah 31:3, NKJV).

Oh if we could fully grasp the extent of His love for us! Once we look for it we'll see it everywhere. As you read through these stories you will be captivated anew by the God who says, "I love you more!"

My Favorite Prayer Stories

Joe L. Wheeler

Dusk was approaching as Lynn set out. The path lay before him dark and mysterious, but he was a good woodsman, and without hesitation struck out rapidly, making surprising progress through the quiet forest.

Snap! The sound of a twig breaking some distance to the right broke the stillness. Again, some moments later, the same sound came from ahead of the lone boy. Every nerve in his body grew tense. . . a mountain lion was following him!

With a whispered prayer, Lynn asked God to protect him from this danger and to allow him to fulfill his mission and bring help for his stricken comrade. . .

"I firmly believe that prayers are not meant merely to supply our wants . . . they are meant to deepen our friendship and companionship with our Maker." ~ Joe L. Wheeler

A Time to Forgive

Darold Bigger

What do you do when your daughter's been murdered—been stabbed to death—and now is lying cold and stiff in a morgue hundreds of miles away? How do you feel when the funeral is over and you're watching her—beautiful, peaceful, but too still—disappear for view for the last time as the funeral director lowers and latches the lid of the coffin?

Where was God when the murderer pushed his way into her home and attacked her? And what does God expect of you now?

A Time to Forgive is the story of one family's journey after the murder of their daughter. This isn't a view from a distance. Dr. Bigger lets us into his heart, lets us see what he was thinking and feeling, and how he finally found what he needed to carry on.

Prayer That Moves Mountains

Diane Pestes

Author and speaker Diane Pestes says, "I believe God has a plan for your life. Together we need to keep our eyes on heavenly goals, not on the frightful things we call obstacles. If we pray, 'Use me,' instead of asking 'Why me?' then God will bless others through us in wonderful ways."

Prayer That Moves Mountains is an inspiring book on prayer that demonstrates what God longs to do in us and through us. It will challenge you to deepen your faith experience through the gift of prayer. What is God calling you to do?

Living in a Man's World

Bonita Joyner Shields

No one will argue that men and women approach life differently. Shields uses her life experiences to take a thoughtful, biblical, and often humorous approach to addressing some of these differences, helping men and women embrace them, and building a bridge in the dialogue between the genders. She also includes questions at the end of each chapter to facilitate that dialogue.

The Waiting Heart

Yvonne Rodney

Tranquility Hazelwood is anything but tranquil. Independent, determined, opinionated, talkative, and frustrated, yes. Cool and composed, no. And what's been ruffling her feathers lately is that question a certain speaker dared tell a group of single women to ask themselves: "Why am I not married by now?"

That question sticks in her mind like a thorn—someone thinks it's her fault she's not married yet? When she finally stops and thinks about this audacious question, she discovers she has an irresistible urge to ask other single women the very same thing. Nicely, of course. Sincerely. Two lists and 21 interviews later those answers weren't exactly what she'd been expecting. 978-0-8280-2694-9 • US\$17.99

Secrets of a Happy Heart

Hvyeth Williams

In this fresh look at the Beatitudes, the author unravels the historical details of the geography, culture, and customs of the people to whom Jesus spoke, then adds sparkling stories from modern life to make the text come alive today.

If you are on top of the world, thinking that nothing can get you down, beware the hidden dangers. If you are a hapless victim of circumstances, slogging through a spiritual slough, your persecution, your hunger, your poverty, can be cause for rejoicing! Either way, you need this book. For all who delight in paradox; for all who need a spiritual pick-me-up-and-kick-me-forward; for all whose spirit is poisoned with the cyanide of guilt, loneliness, lust, or resentment, Jesus in the Sermon on the Mount promises blessing beyond belief. **978-0-8280-2740-3 • US\$14.99**
