## Guide Magazine Special Desmond Doss Issue

Nampa, Idaho (November 21, 2016) — The story of Desmond Doss is a familiar one to most Seventh-day Adventists - and with the release of the movie *Hacksaw Ridge* it's a story that's now known to millions of people around the world. There's no denying that it's a great story but is there a way to share it with our kids minus the graphic violence?

Guide Magazine® has just released a special [16-page Desmond Doss](#) edition written in language kids will relate to and parents will be comfortable with. In three chapters, best-selling author Charles Mills weaves in the importance of Desmond's strong SDA beliefs and shows how they helped him become the hero of Hacksaw Ridge.

Apart from being great for parents to use in the home, this magazine is also an excellent resource for Sabbath School leaders, pathfinder leaders, youth pastors, and teachers. It can also provide children with a powerful witnessing experience, so they can have the opportunity to stand, like Desmond, for what they believe in. It is perfect for sharing with their friends and neighbors. Additionally, this magazine offers kids a way to study what the Bible says for themselves.

It has been specially priced as a sharing magazine:

[A single copy: 59¢](#)

[A case of 100 copies: \\$39.99](#) - that's only 39¢ each.
