

# THE GREAT CONTROVERSY COUNTDOWN

What's more important than understanding God's master plan for our salvation? The great controversy truth illuminates not only our understanding of God's plans for this planet, but His plans for each one of us. To understand the great controversy theme is to peek behind the curtains at what is really happening in the ongoing war between good and evil, between God and Satan.

*The Great Controversy Countdown* is a study guide for tracing this theme through Ellen White's Conflict of the Ages series. These thirteen lessons will expand your understanding of this precious truth as well as give you the confidence to share it with others.
