Author Bio:

Peter N. Landless, MB, BCh, is the executive director of the international Commission for the Prevention of Alcoholism and Drug Dependency and the director of the Health Ministries Department, General Conference of Seventh-day Adventists.

Duane C. McBride, PhD, is the executive director for the institute for the prevention of addictions and the senior research professor in the School of Social and Behavioral Sciences, Andrews University.

Script:

This book, written by a group of doctors and research scientists, challenges the cultural myths and misconceptions that often surround alcohol use. It also provides valuable guidance on prevention and intervention. From addressing the unique challenges faced by youth and college students to offering insights into effective treatment and recovery, this book equips readers with practical tools to combat alcohol abuse in their lives and communities.

Bulletin Announcement:

Explore the physical, mental, and spiritual consequences of alcohol use in ***Alcohol: All Risks, No Benefit***. This book is a comprehensive guide for those seeking understanding, healing, and hope.
