Jerry D. Thomas

More than a hundred years ago, Ellen G. White penned *The Desire of Ages*, a classic volume on the life of Jesus that has been a source of inspiration and enlightenment to millions of readers all over the world. Author Jerry D. Thomas's passion to make this powerful story more accessible to today's reader has given birth to *Messiah*—a contemporary adaptation of Mrs. White's great work. Heaven and earth are no farther apart today than they were on that night when shepherds heard the angels' song. In those days, God sometimes sent angels to speak to people as they worked in the fields. He is just as close to us today. As we go about our work, as we live according to His will, angels are with us every step of the way.
