PPPA employees contribute to "New York City Project"

Nampa, Idaho (October 17, 2001) – The North American Division has challenged conferences, unions, schools and institutions to do "something big" for New York City in the next few weeks and months.

The employees of Pacific Press have responded to this challenge by setting a goal to raise \$10,000 for the New York project. Pacific Press has promised an additional \$10,000 in matching funds.

The funds will be used to provide more than 100,000 copies of *Where Was God? Signs of the Times* and *El Centinela* have produced this special issue to offer comfort and hope during these difficult times. A card insert offers free Bible study guides and additional literature. This special issue is available in both English and Spanish.

Pacific Press is also sending a copy of this special magazine to every Seventh-day Adventist home in North America. This will give each member an opportunity to share this copy with a friend or neighbor and to purchase additional copies as well as subscriptions for *Signs of the Times* and *El Centinela* and other end-time-related products.
