Nampa, Idaho (November 15, 2005) - A free study guide for *Conversations With Jesus* (Pacific Press®, 2005), written by well-known author Jerry D. Thomas, is now available on [www.AdventistBookCenter.com](http://www.AdventistBookCenter.com). This easy-to-use study guide is appropriate for both personal study and small groups.

Freshly inspired from the life-altering insights he gleaned from his best-selling *Messiah* project, Thomas returned to the story of Jesus in *Conversations With Jesus*. The book explores real conversations the Son of God had with ordinary people. "People who struggled with the same issues we struggle with today," says Thomas.

Thomas is the communication director for the Southwestern Union and the editor of the *Record*. He is also the author of more than 25 books, including the best-seller *Messiah*, the modern adaptation of *The Desire of Ages*, and more than 20 beloved children's books including the *Detective Zack* series, the *Shoebox Kids Bible Stories*, and the *Great Stories for Kids* set.
