PBS includes The ADVENTISTS and The BLUEPRINT in December Lineup

Nampa, Idaho (December 01, 2015)

Martin Doblmeier, the award-winning film maker and producer of The ADVENTISTS, The ADVENTISTS 2, and The BLUEPRINT, has reached an agreement with PBS to rebroadcast these films.

PB World now reaches 66 percent of American television-viewing households and the rebroadcasting of these shows is a blessing for our church—one that provides positive exposure.

Additionally, The ADVENTISTS and The ADVENTISTS 2 will be re-transmitted to every PBS station nationwide on January 7, 2016. Doblmeier's company, Journey Films, has hired additional staff to promote the films to every PBS station manager and anticipates securing many additional broadcast opportunities.

Pacific Press® distributes the three films as The ADVENTISTS Trilogy online at AdventistBookCenter.com and in Adventist Book Centers around the country. Click here to watch a preview of The ADVENTISTS Trilogy.

Please pray with us for the blessing of the Holy Spirit as these shows air.
