## Premier Breath of Life Bible Studies

Nampa, Idaho, (April 20, 2017) — Pacific Press®, in partnership with Breath of Life Ministries, has released a new set of Bible Study Guides. Specifically designed in an easy-to-read and easy-to-understand format this series seeks to connect with "all people groups, from a contemporary, urban perspective," says Breath of Life speaker/director Dr. Carlton P. Byrd.

The set of eight lessons provides a good introduction to biblical perspectives on sin, salvation, prayer, and Christ's return, to name a few of the topics covered. This new resource is just one more way that Breath of Life Ministries aims to reach the world. In its more than 40 year history the ministry has been blessed with exceptional leadership. Under the guidance of Speaker/Directors C. D. Brooks, Walter L. Pearson, and Carlton P. Byrd, Breath of Life Ministries has seen thousands of people come to know Christ. The ministry has developed and grown to include international evangelistic campaigns, a dynamic multi-media outreach, community feeding programs for the homeless, clothing distribution, and prison ministries. Through the years an additional 15 churches have been founded and planted by Breath of Life Ministries as a direct result of evangelistic outreach.

"As we move further into the 21st century," says Dr. Byrd, "Breath of Life is seeking to expand our evangelistic offerings. We are happy that we have been able to partner with Dale Galusha and the Pacific Press® family to provide new Bible Study Guides for individuals of different ethnicities, different ages, and different walks of life."

The Bible Study Guides are available in [individual packs of 100](#) for large orders and also as an eight part [complete set](#) for individuals or small groups.
