Happy Retirement!

On Monday morning, April 29, we had a special chapel to wish **Lyn Crabtree**, Administrative Assistant to the President, a happy retirement. It was a time to look back with pride on achievements made and to remember with appreciation all of her hard work.

Lyn began working at Pacific Press 14 years ago, she blessed us with her talent and commitment. She served with a caring attitude, helpful hand, and a contagious smile. While we are sad to see her go and she will be greatly missed, we are very happy for her and her family as they begin this new chapter in their lives.

Lyn will be spending most of her time with her husband Andy Crabtree- camping, gardening and playing with their grandkids. We wish her the very best life can bring and the most abundant blessings.

Reminder to Save the Date!

This year's Pacific Press Summer Social will be on Thursday, June 27 at Hawks Memorial Stadium for a Boise Hawks game.

The Hawks will be playing the Eugene Emeralds. Our picnic begins at 6:15 and the game starts at 7:15. We'll have our own seating area for the best views of the game, plus the best food around! More details to come—just be sure to save the date!

The Stadium is located in Boise:

Employee Update. . .

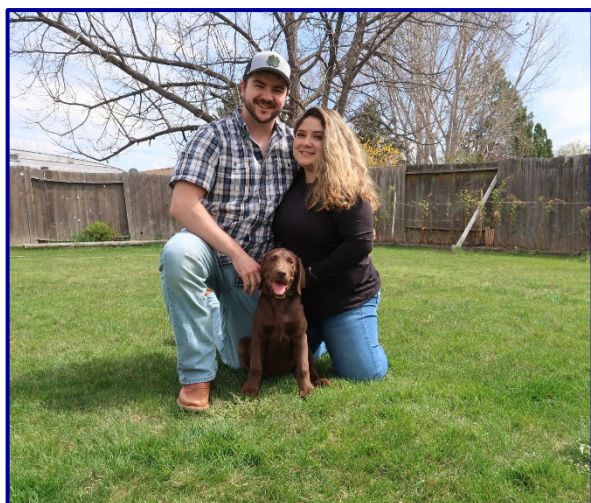

Welcome Monse!

We are pleased to welcome Monserrat Sanchez-Wilkinson to our Customer Service Department as our HHES Representative. She goes by Monse (pronounced Mohn-sai [like said, minus the d]). She moved to Idaho in 2013 from El Centro, California.

Monse married **Ben Wilkinson** (Plant Services) on September 9th, 2018 in Marsing, ID. The happy couple are parents to a furbaby named Nala who is a chocolate lab. Monse's parents **Jose & Claudia Sanchez** (Finishing) are also part of our Pacific Press family.

One of her favorite activities outside of work is traveling. She and Ben have already traveled to the Philippines, Canada and Mexico and their next international trip will be Japan. She also enjoys exploring local eateries, hiking and photography-taking portraits and landscapes scenes. On her bucket list is to watch a live FIFA game and wants to swim in a cenote (natural cave/sinkhole) in the Mayan Riviera.

Monse sees that the printed page holds a purpose in the ministry of our church and is excited to be part of this work here at Pacific Press. It's great to have you join the PPPA family Monse! We're looking forward to getting to know you better.

Our pond has ducklings again! You can't help but smile at the sight of downy little puffballs closely following their mother. There's a lesson for all of us...

Make all things in order,
Almighty gives the command;
Let not dissension rule
Or get the upper hand.
Get your ducks in a row,
Rearrange for the better;
Evade the zone of schism,
Go on as true peacemaker.
From August through July
Rise and let not grime grow;
It's time to organize life,
And get your ducks in a row.
