

## Updates . . .

### New VP for Production

On Thursday, May 2, 2019, the Pacific Press board of directors voted to invite **Eric Petersen** to assume the role of Vice President of Production.

Eric is no stranger to Pacific Press, having served for almost 20 years in various roles in the production department, and most recently he was Head Press Operator.

Eric was born in Kansas but he grew up and went to school in Colorado. After he got married he and his wife Tita decided to move to Idaho, where her family lived. Together with his wife he has two adult children: a daughter who is a pastry chef and is happily married; and a son who is attending college in Utah.

In commenting on his new role, Eric says, "I am excited at the opportunity to continue improving, developing and growing the production area along with all the staff in the department. With God's blessing and guidance, I look forward to working through any challenges that may arise."

We are glad to welcome Eric in his new position and pray many blessings for him and his family.

### Biometric Screening Reminder

Your opportunity to complete the Biometric Screening for Ascend to Wholeness is next week on Wednesday and Thursday, May 29 & 30. If you

### There's A Fun Time Ahead!

The Social Committee is busy preparing for our annual Summer Social at Boise Hawks Memorial Stadium. As we mentioned in the last PIP, the big day is Thursday, June 27, so it's just a few weeks away!

You'll find your invitation in today's pay advice envelope. The deadline for **RSVPs is Thursday, June 13**. We hope you'll take a moment to send us your RSVP (even if you aren't planning to attend) so we'll have an accurate number to give the caterer. That number will be more important this year because we will have a Grill-out for dinner, and we want to make sure we have enough food for all to enjoy.

## Employee Update. . .

### We Love Our Students!

For a few more weeks we'll have the help of **Madison Mehl** in the Finishing Department. Madison is originally from California but moved to Idaho with her family 9 years ago.

Madison is currently attending Southern Adventist University and is majoring in Social Work.

She loves to read and also listening to music but this summer she won't be spending her time doing any of those things. Instead she will be canvassing in California!

We are glad she chose PPPA to work for a few weeks while she's home and wish her the very best this summer!

## Monday, May 27, 2019

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Memorial Day 2019 occurs on Monday, May 27.

Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971. Many Americans observe Memorial Day by visiting cemeteries or memorials, holding family gatherings and participating in parades. Unofficially, it marks the beginning of the summer season.
