Updates . . .

We have awesome employees!

Engineering – One of the stitchers had been giving the Finishing department fits. After fighting with it for hours last Wednesday with no complete answer, **Kaleb Knauff** and **Darren Hooper** (Engineering) came in Thursday morning before 6:00 AM to dig in and try again. They were able to rule out needing new boards and a \$15,000 transformer replacement. They traced the problem to a “working” fuse behaving in a way that fuses aren’t supposed to. Fuse is now replaced. Machine is back to productivity! Gene set-up a small Donut thank-you to these guys for going the extra mile and testing beyond the obvious options to find the actual problems!

Customer Service – We’re used to our product development team having books published, but last week **Olga Valdivia** (from our customer service department) got to see her new book for the first time. I was in finishing and noticed the job was just completed. I grabbed a copy and pulled together the customer service department to make a quick presentation. The CSRs loved this beautiful new book! **Tricia Wegh’s** design is outstanding! – Doug Church, Vice President for Marketing & Sales.

Super Bowl Blitz

In an attempt to reach the 62 million residents of the 8 Southeastern states, the Southern Union Publishing Department has determined to saturate the Southern Union territory with literature, involving as many members and pastors as possible.

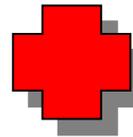

To this end, the Super Bowl in Miami, February 2, 2020, is receiving special attention. Five different **GLOW** tracts (all printed by Pacific Press) are being placed into small plastic bags and packed into boxes. The boxes are being delivered to churches in the Miami area with instructions to members to distribute them in their respective neighborhoods. Over 80 churches are participating and 1 million

tracts will be distributed during the week leading up to the Super Bowl.

All of this is part of Southern Union’s **BLAST** initiative (Books and Tracts; Linking Departments; All members Involved; Student Fundraisers; and Technology). Please pray for the success of this effort to spread the gospel!

“At all such gatherings [St. Louis Fair] there should be present men whom God can use. Leaflets containing the light of present truth should be scattered among the people like the leaves of autumn.” *Evangelism*, 36.

Red Cross Blood Drive

The Red Cross will be here on Monday, February 24, for a Pacific Press blood drive. They’ll be in the Owyhee Room from 10:00 am to 3:00 pm. You can schedule an appointment online at redcrossblood.org (use sponsor code PP) or contact Kelly Lewis in HR at ext. 2567.

Hans Diehl

Pacific Press author **Hans Diehl** will be at the **Cloverdale Adventist Church** on Sabbath, **February 8, 2020**. He will be the guest speaker at both services – **9:00 a.m. and 11:30 a.m.**

Hans Diehl is the founder of the Complete Health Improvement Program (CHIP) and clinical director of the Lifestyle Medicine Institute in Loma Linda, California, where he is also clinical professor of preventative medicine at the School of Medicine of Loma Linda University.

Don’t miss out on this opportunity to listen to Dr. Diehl’s presentation on the Adventist Health Message.

Valentine Messages

Our next issue of *Press in Print* will be on February 12 (two days before Valentine's Day. For the last couple of years, we sent special messages of encouragement to coworkers and friends, to brighten their days. It has been so well received, that we'll do it again this year!

Let's show Christian love to one another by lifting each other up with positive and encouraging comments. We're not talking about romantic love here, but about appreciation or encouragement for those you work with every day, or about thanks or praises to God you'd like to share.

It's easy—simply write down your praises or encouraging comments on a card which will be provided near the Owyhee Room bulletin boards, and place it in the collection box nearby. You can sign your name if you want, or even better, **just leave it anonymous.**

It just takes a little thought. Is there someone who's always ready to help? Let them know you appreciate it. Are you glad for someone's kind spirit or positive outlook? Tell them. Is someone always ready with a smile? This is a good time to say so. Maybe you work alongside someone with a great can-do attitude—this could make their day!

We'll collect the messages every day, and for the last time on Tuesday afternoon, February 11. Then we'll include them in the February 12th *Press in Print*.

Let's get those positive thoughts going! Someone (hey, think big—it could be a bunch of 'someones') will be glad you did, **and you will too!**
