Updates . . .

Best Wishes in Retirement, Terry!

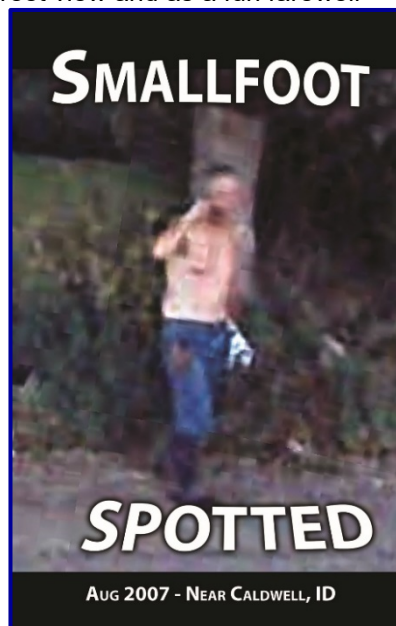

On Monday June 24, we had a special Chapel to wish **Terry Leinberger** (Plant Services) a Happy Retirement. Terry's wife Kathy joined us to celebrate this special occasion. Terry joined the Pacific Press family a little over 6 years ago as our Plant Services Director and we are very grateful

for his service and dedication during a time of transition for us.

The following Thursday, on Terry's last day of work, the production department hosted a Pizza Party for him as a thank you for all his hard work. Leading up to this event, word leaked that Terry was featured on Google Maps street view and as a fun farewell his coworkers decided to post "Smallfoot-Terry" sighting posters for all to see!

We wish you the very best on your retirement Terry! You will be missed but we are so happy for this new chapter in your life.

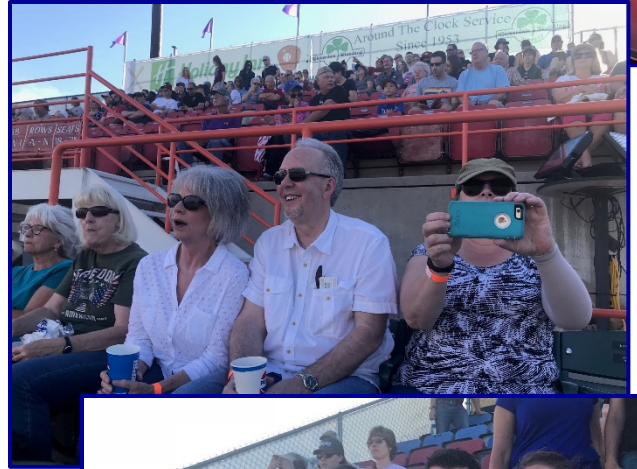

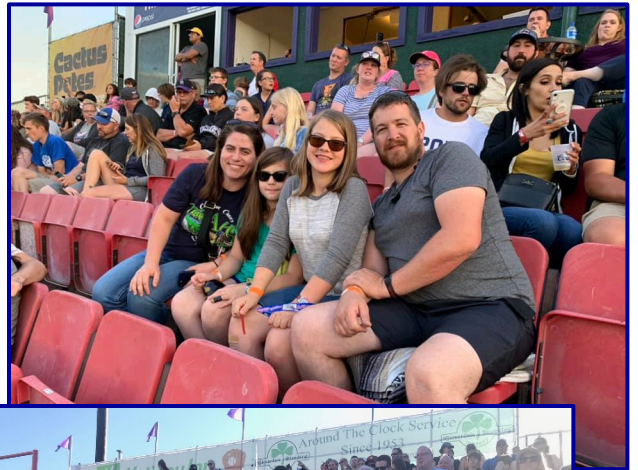

Summer Social Fun

Thursday, June 27, turned out to be a beautiful day for a social!

We had a great time enjoying an

All-American BBQ dinner and a baseball game between the Boise Hawks and the Eugene Emeralds. We have some pictures for you all to see! –Special thanks to **Josie Duke** (Customer Service) for always taking and sharing pictures.

That's Solidarity!

Here is a picture of the Production crew taken after chapel a few weeks ago on June 10. They decided to pull out their best neckties and wear them to show support for their leader **Eric Petersen**.

The week before, Eric had worn a tie to **Robert Congleton's** retirement Chapel and his fellow VPs didn't miss the opportunity to publicly tease him about it.

This is a good-looking group! Maybe they should wear a tie every Monday!
