Happy Retirement!

Last Monday, January 13, we had a special chapel to wish **Steve Hamous**, Finishing, a happy retirement – and it was extra special because it was also his birthday! It was a day of celebration and a time to remember with appreciation all of his hard work.

Steve moved to Idaho 5 years ago from Hagerstown, Maryland. Prior to working at Pacific Press, he worked at Review and Herald. We are truly thankful for his years of service to the publishing work and for his dedication and commitment.

Steve and his wife Denisse are building a house in Sierra Vista, Arizona where they are planning to move as soon as it is ready. We are going to miss him for sure! But we are very happy for him and his family and wish them the very best in retirement!

Employee Update. . .

Welcome Baby Girl!

Ben and Monserrat Wilkinson (Plant Services & Customer Service) are very excited to share this happy news with their friends at the Press – their little daughter is finally here! **Allyson Wilkinson** was born on January 8th, 2020 at 6:39 pm weighing 8 lbs. 5.9 oz.

Ben and Monse would like to thank their friends at Pacific Press for the lovely flowers and they are also thankful for the time off they

have to love on their little one.

Our warmest congratulations to the Wilkinsons and also to Allyson's proud grandparents **Jose & Claudia Sanchez** (Finishing).

I want to thank everyone for all your prayers, thoughts and help for the last 2 years, you made a difficult situation bearable. A special thank you to Ashley and Christina for helping me get safely to my car at night and to Mike for keeping my scooter up and running 😊. You have all been such a blessing to me and I thank you so much for that. Thank you very much for the lovely flowers and gifts that I received after my surgery.

May the Lord bless and keep you all as you continue being a blessing to those around you. – Darlene Snyder
