

## Employee Update. . . Wedding Anniversary Celebrations

Staying married to the same person for 40 years is a fantastic achievement! It is a testament to love, strength and unity. It's only fitting to want to help celebrate this event and of course we want congratulate two couples who both recently celebrated their 40<sup>th</sup> anniversary!

### **Miguel and Olga Valdivia** (Product Development and Customer Service)

“Our 40th wedding anniversary was on Monday, August 10th, 2020. We were supposed to be in Puerto Vallarta that entire week, but due to the virus affecting our world, our trip had to be cancelled and instead, we ended up having a 'special dinner' at The Village in Meridian... lol”

“We got married at the Miami Temple SDA Church on a beautiful rainy afternoon. Right when I got to the church where Miguel was already waiting for me, the most beautiful of rainbows appeared in the sky, bringing a sense of divinity all around. I took it as a sign of the covenant God was making between Him and both of us... to work for Him, to bring others to Him and to love Him”. —Olga Valdivia

“Love is something eternal—the aspect may change, but not the essence” —Vincent van Gogh

### **Rick and Sandy Lee** (Finishing and Customer Service)

celebrated their wedding anniversary on August 17<sup>th</sup>. They got married at the Burnt Mills SDA Church in Silver Spring, Maryland.

Rick and Sandy celebrated their special day wearing matching t-shirts to work! The t-shirts were a surprise gift from Rick to Sandy.

Their children planned a surprise evening celebration for them. They took them to a nice restaurant for supper and then took them to the Anniversary Inn where they had booked a room for them. They had a really fun day celebrating.

Many congratulations to both couples! We wish you many more years together!
