I-84 Corridor - Bridge Maintenance in Nampa

Idaho Transportation Department

The Idaho Transportation Department is constructing improvements to several I-84 bridges between 11th Ave and Franklin Blvd in Nampa. The maintenance work will extend the lifespan of each bridge. Work will occur between early August and late September.

You can also find an informational poster on the bulleting board in the Owyhee Room.

Don't Forget Your Mask!

HR Department

Wearing masks the past 18 months has been less than comfortable, and it is easy to become complacent with masking guidelines after this amount of time. However, the masking policy at Pacific Press has not

changed. All employees must wear a mask over their mouth and nose when away from their workstation, in common areas, and when a 6-foot social distance cannot be maintained. Until the rate of vaccination significantly increases and more data becomes available regarding the vaccine's long-term effectiveness, PPPA must continue to maintain a workplace that is safe for all employees. To ensure the safety of all employees, all are required to wear a mask in the workplace for the foreseeable future. We appreciate the fact that you continue to follow our employee workplace policy. If you have questions, please contact Human Resources.
