Welcome Nathan Baltazar!

by Kirsten Berger

We are excited to welcome Nathan to the Shipping department!

In his free time, he enjoys 3D printing, making short movies, and going

on long walks. When asked to share a random fact about himself he shared, "I'm not usually very talkative until you get to know me, then I talk too much sometimes!" If you see Nathan around, be sure to say hello!

Welcome to Pacific Press, Nathan!

Farewell Doug White!

This last Monday, October 31, we had a special farewell chapel for Doug White!

Doug came to Pacific Press at the end of the year 2014.

He came from the Michigan ABC and has worked in our Shipping Department since.

Doug and his wife Sheila are moving to Central California where Doug will be working at the ABC as assistant manager.

We will miss him very much but wish him and Sheila many blessings in this new adventure!

Christmas Party, Save The Date!

The Social Committee has been busy planning our Christmas Party. In the coming days you'll receive your invitation. Meanwhile, please mark your calendar for Sunday, December 4 at 5:30 p.m.

This year the party will be at the Galaxy Event Center in Meridian, ID. This is the same venue where we had our dinner during the summer social event.

We hope everyone can join us!

Daylight Saving Time Ends

Are you waking up to the darkness lately and thinking it can't possibly be time to get up yet? Wishing you had one more hour to sleep? Daylight Saving Time is almost at an end.

This coming Sunday, November 6, we'll turn the clocks back one hour and you can get that precious slumber time back. Rejoice!

From Guide Magazine

by Laura Samano

We recently received this picture and wanted to share with you all. This is Ámbar, a 14-year-old, new **Guide** reader from Calexico Mission School, in Southern California.

She just started attending this Adventist academy and is enjoying the magazine so much that she reads it every chance she gets. She loves **Guide** so much she carries her stack around.

Guest Parking Spots

Please remember that the guest parking spots are for guests only.

When a guest comes to shop or even visit the ABC, they should be able to park close to the entrance, as a courtesy from us. We don't supply grocery carts, so our visitors shouldn't have to carry heavy purchases to the back of the parking lot. Thank you for your help!
